Accessories » Bollards

Minimalist bollard design combines practical function with a clean aesthetic. The steel frame is available in 17 powder-coat or galvanized finishes.

Description	A minimalist steel frame delivers a modern bollard design that takes its cues from 20th century industrial design. The functional feel and light appearance of the Avenue bollard complements and sits within most public spaces to create a protective or architectural perimeter. Finishes include a steel frame in 17 powder-coat colors or a galvanized finish.
Made In	USA
Dimensions	4"W x 4"D x 37"H (100mmW x 100mmD x 950mmH)  Base plate: 7"W x 7"D (180mmW x 180mmD)

**Assembly & Delivery**    Shipped fully assembled on pallets.

---

**Fixing Detail**            Surface fixed by others. Anchors not included.

---

**How to Specify**            Select your length  
                                      Select your finish

---

**Care Instructions**        Powder-Coat  
                                      Carefully remove any loose surface deposits with a wet sponge or soft  
                                      bristled brush.

                                      Use a soft (non-abrasive) cloth or brush and a diluted solution of mild  
                                      detergent and warm water.

                                      Ensure surfaces are thoroughly rinsed with clean fresh water after  
                                      cleaning to remove all residues.

                                      Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali  
                                      cleaning agents.
