# B+G BRIGHTON CAPSULE DOUBLE LITTER BIN

Litter Bins » Double Bins

Detailed capsule double litter bin design for undercover. Panels in 2 hardwood or 4 Duraslat™ colors, and cut-out designs in 17 powder-coat finishes.

**Description** The detailed design of the Brighton capsule double litter bin mirrors its functional nature. The exposed steel frame, external hinges and compression lock offer effortless access, while matching panels maximize the 360° visual impact that make it ideal for streetscapes, parks or campuses. Finishes include 2 Australian Eucalyptus hardwood or 4 Duraslat™ colors, and cut-out designs in 17 powder-coat finishes.

**Sustainability**

**Certified Hardwood**  
Australian Eucalyptus hardwood is sourced from sustainable forests certified by the Program for the Endorsement of Forest Certification (PEFC), the world's largest forestry certification system.

**Material Alternatives**  
We offer sustainable alternatives to hardwood, such as Duraslat™; a mineral-based composite material that contains no Volatile Organic Compounds (VOCs) and is engineered using up to 46% natural filler that is based on a renewable mineral.

**Recycled Materials**  
We locally source our steel. It means we know it uses recycled content and is 100% recyclable.

**Low Pollutants**  
Our powder-coating process doesn't emit VOCs and has Environmental Product Declarations (EPDs) that enable projects to qualify for LEED credits.

**Powder Coat**

**Core**  
Coreten (textured), Charcoal (satin), Silver Pearl (satin metallic), Black (satin), White (satin), Bronze (satin metallic)

**Signature**  
Deep Ocean (satin), Wedgewood (satin), Mangrove (satin), Territory Red (matt), Claypot (satin), Paperbark (satin)

**Bold**  
Sky Blue (satin), Yellow Green (satin), Pure Orange (satin), Carmine Red (satin), Zinc Yellow (satin)

**Dimensions** 51"W x 26"D x 45"H  
(1290mmW x 660mmD x 1145mmH)

**Capacity** 32 gal (120L)

## Care Instructions

### Hardwood

#### Cleaning

Remove any loose surface deposits with a soft bristled brush and wipe down with fresh water and a non-abrasive cloth.

#### Oiling

Oiling of timber will postpone natural greying, repel moisture, improve mould resistance, help maintain a smooth surface texture and enhance the grain and colour.

To maintain, lightly sand rough areas of timber and brush on one coat of timber decking oil every 6 months or as required.

### Duraslat™

#### Cleaning

Clean with mild soap and water and use a soft brush to remove any dirt build-up.

### Powder-Coat

#### Cleaning

Carefully remove any loose surface deposits with a wet sponge or soft bristled brush.

Use a soft (non-abrasive) cloth or brush and a diluted solution of mild detergent and warm water.

Ensure surfaces are thoroughly rinsed with clean fresh water after cleaning to remove all residues.

Never use thinners, abrasive cleaning agents, alcohol-based, acid or alkali cleaning agents.

---

## Warranty

5-year warranty. View the [warranty](#) for more details.

---

## Additional Comments

Panel designs available in hardwood battens, Duraslat™ battens or powder-coated steel panels in plain or perforated cut-out designs.

Hardwood is treated with a UV-resistant oil finish in a light or dark tone.

All 4 sides are clad in 1 material option.

Compression lock prevents door rattling.

---

## How to Specify

Select your size - double

Select your capacity - 32 gal (120L)

Select your frame and top color

Select your panel design and finish

Select your fixing type
